

# Beat the FLU BUG

WORKSITE FLU SHOT PROGRAM

**ONLY  
\$25**

The flu is responsible for nearly **\$3 billion annually** in lost work days. Discover a flexible, convenient way to reduce lost work days and revenue. The Ingalls Occupational Health Worksite Flu Program quickly and efficiently vaccinates employers at their work place. Clinics can be scheduled throughout October and November. Flu shots can be given to a large number of employees in a relatively short period of time. We offer flexible hours to cover all shifts. Supplies are limited.

For more information or to schedule your Worksite Flu Clinic, please call:
