

Building on our Promise

Ingalls is expanding in Calumet City

More Space. More Services. More for your Family.

Ingalls has improved its Family Care Center in Calumet City by making it bigger, more convenient and easier to use. Physician specialties include:

- Cardiology
- Family Care
- General/Specialized Surgeries
- Internal Medicine
- Obstetrics and Gynecology
- Orthopedics and Sports Medicine
- Pediatrics

The Ingalls Family Care Center has added many new physician office suites and offers more on-site screenings and testing than any other facility in the area, including:

- MRI and CT Scans
- Cardiac Stress Tests and Echocardiography
- Mammography and Digital X-ray
- Ultrasound
- Sleep Lab
- Bone Density
